CUSTOM **GUARDING SOLUTIONS**

Custom Designs

With our free design assistance, our team is here to help you create the right guard for your application. From enclosures to perimeter guards, our team has you covered.

Electronic Devices

From light curtains to interlock switches, we have an extensive line of electronic devices. These devices can be used as a standalone product or integrated within a hard guard to make it a safeguard.

Multiple Accessories

No matter if you need locking door handles for security or leveling feet for uneven surfaces, our large selection of accessories help enhance your design and improve functionality.

Fast Lead Times

With some of the fastest lead times in the industry, we can help get you guarded faster. Our team is here to help you move through the entire guarding process in a timely manner.
